MEMORANDUM FOR: Deputy Chief of Staff, Personnel
United States Air Force
Washington 25, D. C.

SUBJECT: [REDACTED]

25X1

1. [REDACTED] has recently completed a three year tour of duty with this Agency, and I should like to take this opportunity to commend him for an outstanding performance.

2. [REDACTED] was responsible for a highly diversified program of classified air operations, involving air transport of passengers and cargo, during a period characterized by unusual requirements and fundamental changes in concepts. He demonstrated a high degree of personal initiative, drive, and perseverance in resolving many difficult problems, and instituted a number of significant improvements in areas wherein experience factors were almost totally lacking. In accomplishing this he maintained an unusually high degree of morale among his subordinates by his own example of integrity and self-discipline. His duties required frequent liaison with [REDACTED] and his unfailing courtesy, tact, dignity, and patience resulted in a very excellent and productive relationship.
